91% of industrial businesses are **currently being impacted by resource scarcity**

The scarcest resources are:

- 1 **Raw materials** (affected for 37%) 
- 2 **Energy** (affected for 34%) 
- 3 **Labor** (affected for 32%) 

This is likely to get worse as markets grow – unless businesses act and embrace circularity. There is no time to waste.

Source: Sapient Research, Circularity No Time to Waste, commissioned by ABB
